

## **Policies for Student Discipline**

Students are required to abide by the school's rules and to follow the directions of teachers and other people with authority delegated by the school. Where disciplinary action is required penalties imposed vary according to the nature of the breach of discipline and a student's prior behaviour. **The use of corporal punishment, in any form, is prohibited and has no place in the welfare and disciplinary policy and practices at this school.**

All disciplinary action that may result in any sanction against the student including suspension, expulsion or exclusion provides processes based on procedural fairness.

The full text of the school's discipline policy and associated procedures is provided to all members of the college community through College Information Booklet as part of the College's Student Welfare Policy.
