

Student Welfare Policy

Like any other school, Al-Faisal College needs to have an effective and appropriate Student Welfare Policy and practices, so that all students and staff can work together in a safe, harmonious and educationally productive environment.

As an Islamic school, Al-Faisal College has certain advantages in implementing such a Student Welfare Policy, given that:

- we are a culturally and religiously unified school;
- virtually all students come from an Islamic background;
- as a faith and belief system, Islam embodies a range of values which are highly relevant in forming the basis of a Student Welfare Policy and practices;
- a belief in Islamic values is the fundamental reason for parents choosing to send their children to Al-Faisal College.

As a registered and accredited school, Al-Faisal College must meet all relevant government requirements, specifically including those of the NSW Board of Studies, and is committed to striving for academic excellence, in a safe and mutually respectful atmosphere, where each individual is encouraged to reach his/her potential. **The use of corporal punishment, in any form, is prohibited and has no place in the welfare and disciplinary policy and practices at this school.**

Al-Faisal College has a very comprehensive Student Welfare Policy which meets all the requirements of Board of Studies and other relevant government requirements.

The full text of the Student Welfare Policy is in the student diary and in the college information booklet.

To ensure that all aspects of the college's mission for providing safe and supportive environment are implemented the following policies and procedures were in place (or developed) during 2004.
